Public Path Extinguishment
and
Definitive Map and Statement Modification Order

Highways Act 1980
Wildlife and Countryside Act 1981

Dorset Council (Part of Restricted Byway 9, Winfrith Newburgh)
Public Path Extinguishment Order 2026

This Order is made by Dorset Council ("the authority") under section 118 of the Highways Act 1980 ("the 1980 Act") because it appears to the authority that the restricted byway described in paragraph 1 below is not needed for public use.

This Order is also made under section 53A(2) of the Wildlife and Countryside Act 1981 ("the 1981 Act") because it appears to the authority that the County of Dorset definitive map and statement require modification in consequence of the occurrence of an event specified in section 53(3)(a)(i) of the 1981 Act, namely, the stopping up (as authorised by this Order) of a highway hitherto shown or required to be shown in the map and statement.

Winfrith Newburgh Parish Council has been consulted as required by section 120(2) of the 1980 Act.

BY THIS ORDER:

1. The public right of way over the land situate east of Claypits Farm, Winfrith Newburgh at Claypits Lane and shown by a continuous bold line on the map contained in this Order and described in Part 1 of the Schedule to this order shall be extinguished after 7 days from the date of confirmation of this order and thereupon the County of Dorset definitive map shall be modified by deleting from it that public right of way and the definitive statement shall be modified as described in Part 2 of the Schedule to this order.

2. Notwithstanding this Order, where immediately before the date on which the path is extinguished in pursuance of this order, there is apparatus under, in, on, over, along or across the path belonging to the statutory undertakers for the purpose of carrying out their undertaking then such undertakers shall continue to have the same rights in respect of their apparatus as they would have had if this Order had never been made.
