

Photo list

Photos 6,7,8 - Layered hedgerows - showing maintained hedgerows on W43/1 and W43/3 at Stoke Abbott, West Dorset. Picture taken 12th February 2026.

If rehabilitated and maintained B80 could look this, with far reaching views, a rich and varied ecology, walkers separated from livestock, horse riders and mountain bikers. A jewel in the crown of the Brit Valley Project

Photo 9 - livestock obstructing muddy path between Point B and M picture taken 21st February 2026

Photo 10 - Calf blocking gate at Point N taken 5th August 2023

Photo 11 - Inquisitive Livestock at Point F. The entrance to B80 obstructed by barbed wire is to the right of livestock. Picture taken 2nd May 2022

Photo 12 - bull on F79 at Point F. The entrance to B80 obstructed with barbed wire is to the left of the bull. Picture taken 14th July 2023

Photo 13 - orchid in B80 north of Buckham Down. Part of Monarch's Way where B80 has been maintained and not obstructed by barbed wire. Photo taken 2nd May 2022
