

**DORSET COUNCIL
DECISION NOTICE
COMMONS ACT 2006**

Application number: VG1-2024

An application received on 12 July 2024 was made to Dorset Council acting as the Commons Registration Authority under Section 15(2) of the Commons Act 2006 and in accordance with The Commons (Registration of Town or Village Greens) (Interim Arrangements) (England) Regulations 2007.

The application seeks to update the register of town and village greens by the addition of land at Birchdale road, Wimborne.

Decision

Following public notice, one objection was received regarding the application. A report discussing the evidence was considered by the Strategic and Technical Planning Committee of Dorset Council on 25 November 2025. The Registration Authority has considered all the evidence with regard to this proposal and concludes that part of the application land meets the criteria set out in the legislation.

The Registration Authority has therefore determined to accept the application in part.

Reasons

The proposed registration meets the legal criteria set out under Section 15(2) of the Commons Act 2006. The evidence presented to the Council demonstrates that application VG1/2024 should be accepted in part and the relevant area of land registered as a Town or Village Green.

Changes to the register

The Town and Village Greens Register will be updated by the addition of entry VG88 as shown on Drawing VG1-2024-5.
